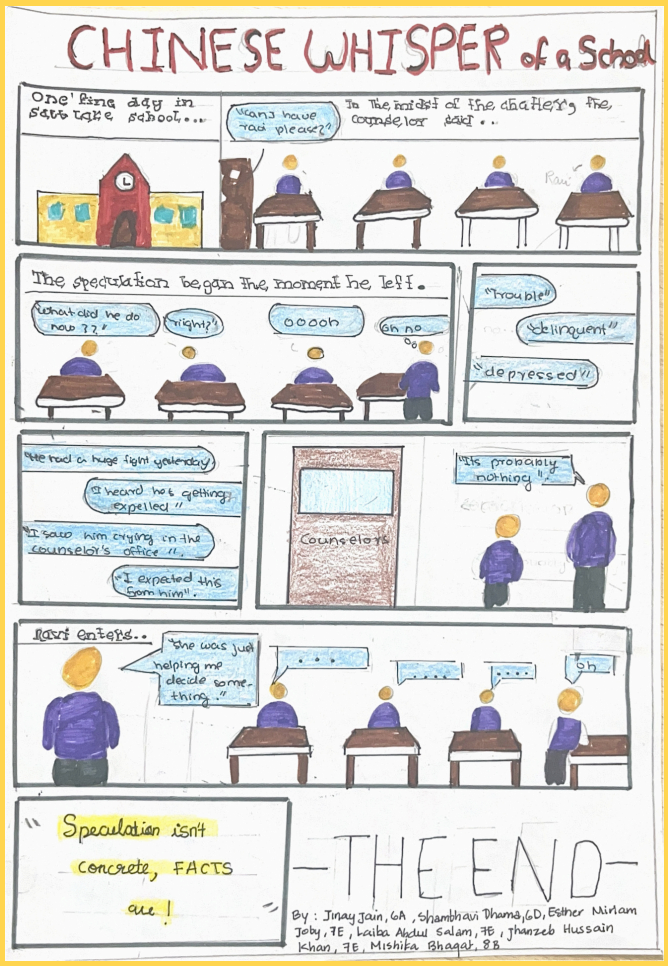
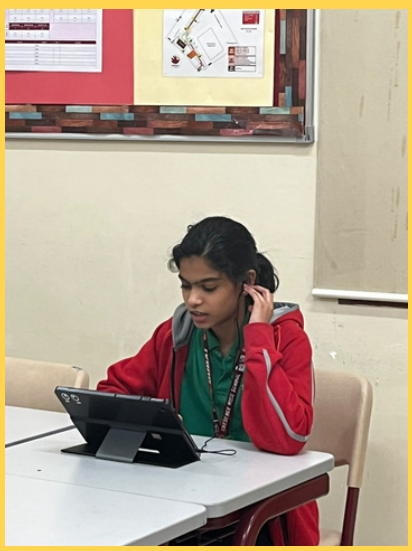
ROUND SQUARE

EVENT TOPIC: "THE MENTAL COURTROOM"

On 18 November 2026, students of Credence High School participated in the Round Square Zoom Postcard initiative, an international school collaboration organised in association with The Emerald Heights International School, India. Centred around the theme 'The Mental Courtroom: Think. Question. See Beyond'. The session provided students with an opportunity to connect with their international peers, exchange perspectives and explore how our minds interpret situations and shape our judgements.

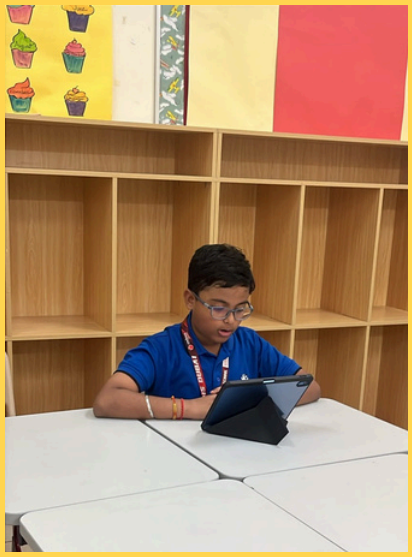
The virtual interaction aimed to encourage critical thinking, perspective-taking and intellectual curiosity by inviting students to question assumptions, examine evidence and consider different viewpoints before reaching conclusions. It also provided a meaningful platform to reflect on fairness, empathy and the importance of looking beyond first impressions when understanding people and situations.





KEY LEARNINGS AND TAKEAWAYS:

- Strengthened critical thinking and reasoning.
- Recognised personal biases and assumptions.
- Explored multiple perspectives.
- Developed empathy and open-mindedness.
- Understood the importance of evidence-based judgement.
- Promoted fairness and thoughtful communication.



A global conversation. Real perspectives. Future ready learners.
