# Online Classes

01   IF-FA

Formative assessments provide instant feedback and are designed to help learners know how they are faring against their learning goals.

We use Google forms, Cloud9 and Kahoot to conduct formative assessments every week. This ensures concept clarity before we progress to the next topic.

10 Formative Assessment Tools
edpuzzle · Gimkit · padlet · K! · Quizlet Live · Quizizz · Flipgrid
teach.RANT.LEARN

02   Classwork & Homework Period

To provide students more time to pursue their hobbies and interests, a class work/Homework period has been provided during school hours, where students are provided support and guidance to complete their academic tasks.

03 Gamification

Gamification and game-based learning techniques are used to make learning fun, engaging and immersive.

GAMIFICATION CONCEPT
GOAL · LEARNING · SKILL · ACHIEVEMENT
CHALLENGE · REWARD · COMPETITION · USER ENGAGEMENT

04 Reading & Theatre

The National Education Policy 2020 has placed emphasis on 'how to read', 'learn to read' and 'read to learn'.

05 Competency based education

The National Education Policy 2020 calls for a shift towards competency-based learning.

Competency is a set of skills, abilities, knowledge that help an individual perform a given task in real life.

We at Bloom aim at helping students imbibe these skills to equip them to become global citizens.

Breakout Rooms
in Google Meet

Peer Learning   06

The School uses the break-out rooms feature on Google meet to break up students into smaller groups. This encourages collaborative learning and group discussions.
