FROM WORDS TO WONDERS

EVENT: Bringing Poetry to Life Through Art – Paper Boats
DATE: 30 October 2026
CONDUCTED BY: Class 7A and 7C

An engaging Art-Integrated Activity was conducted in Classes VII-A and VII-C, based on the English literature poem *"Paper Boats"*. Students enthusiastically created origami paper boats, exploring their creativity through hands-on artistic expression.

The activity offered students an opportunity to connect with the poem in an interactive and meaningful way, bringing its imagery to life through art. It beautifully blended literary appreciation with creativity and experiential learning.
