MIND BODY & SOUL

## INTERNATIONAL SCHOOL

# OUR CORE VALUES

## VISION

- We envision MBS as an intellectual commune where motivated students and dedicated teachers engage in active learning, empowered by modern technology and innovative teaching practices.
- To nurture young minds in an environment where the mind is fearless, the body is healthy, and the soul is pure, fostering a safe, tranquil, and stimulating atmosphere that encourages exploration and curiosity.
- To cultivate an inquiry-based learning community that embraces reflective project work, critical thinking, and a lifelong love for learning.
- To shape future leaders who can confidently navigate challenges and make meaningful contributions to society with purpose and integrity.

## MISSION

- To empower students with world-class education that integrates academic excellence, spiritual awareness, physical fitness, social consciousness, and environmental responsibility.
- To ensure every student has abundant opportunities to explore their full potential through academics, sports, and socio-cultural activities, building a foundation of self-discipline, flexibility in thinking, reflective sensitivity, and inquisitiveness.
- To develop skills and attitudes that prepare students to thrive in the rapidly evolving world of the new millennium.
- To instill respect for cultural, religious, and linguistic diversity, fostering inclusive and empathetic global citizens.

# WHAT MAKES MBS INTERNATIONAL SCHOOL DISTINCTIVE?

## Welcome to MBS: A Journey of Joyful Learning

Discover the joy of learning at MBS, a school where education is not just a process but a delightful experience. Our philosophy revolves around the belief that "teaching is a delight, and learning is bliss," with the child at the heart of the educational journey.

# 1

### Nurturing With Care

Our teachers are as seasoned gardeners, tending to young saplings and instilling the vibrant values of life. We nurture with love, care, and warmth, ensuring every child grows into a fruitful and blossoming individual.

# 2

### Holistic Education

MBS takes pride in offering education with a holistic perspective, focusing on the multifaceted development of every student. From intellectual and emotional growth to social, physical, artistic, creative, and spiritual potentials, our approach is comprehensive, ensuring a well-rounded education.

# 3

### Engaging Students, Cultivating Responsibility

We believe in actively engaging students in their learning journey. Through interactive and dynamic teaching methods, we encourage personal and collective responsibility, shaping individuals who are not just academically adept but socially responsible. At MBS, each day is a celebration of knowledge, growth, and the sheer joy of learning. Together, let's nurture the seeds of curiosity and watch them bloom into extraordinary individuals.

Welcome to a school where happiness and education go hand in hand !

# MBS: A CITADEL OF LEARNING

The school, benchmarked to international education standards with a sharp focus on innovation and a stimulating learning environment, takes pride in providing a natural, holistic, student-centric atmosphere that empowers and inspires the mind, body, and soul of all its scholars.

Established in 2009 on a sprawling campus in Dwarka, the school quickly grew from strength to strength, gaining distinction in academics and co-curricular activities. It remains firmly committed to the cause of education, aligned with the evolving needs of the present.

## THE SCHOOL OF TOMORROW

### STRONG SECURITY FRAME

Round-the-clock security of the campus is ensured through strategically located surveillance cameras and CCTV monitoring by trained security personnel.

The school transport facility is equipped with a **Vehicle Tracking System (VTS)**, which allows parents to access real-time **GPS tracking** for bus route traceability and enhanced student safety. The air-conditioned school buses are also accompanied by security personnel and caretakers as an added measure of security.

# CELEBRATING EXCELLENCE AT ZONAL COMPETITIONS AND BGS MUN 2025

MBS International School takes immense pride in celebrating the remarkable achievements of its students at the Zonal Music Competitions 2025, the Zonal English Declamation, and the prestigious BGS MUN Conference 2025. These honours reflect the school's continued dedication to nurturing excellence across artistic, cultural, linguistic, and leadership domains.

At the Zonal Music Competitions, Krishna Tiwari (VII C) secured the First Position in Light Music (Vocal), showcasing melodic depth and expressive clarity. Archit (VII A) earned the Second Position in Semi-Classical Vocal Music, demonstrating graceful musical control and confident stage presence. The school's Patriotic Group Song (Boys) team delivered a stirring and well-synchronised performance that impressed the audience and judges alike, winning the First Position at the Zonal Level. The ensemble comprised Arin Kanra, Meer, Zedaan Hussain, and Rohan Jha (VI C); Ayushman Rawat and Mikhail Laishram (VI E); Divyansh and Unnat (VI F); Mohammad Altamash and Archit (VII A); Aarav Verma, Krishna Tiwari, and Nakul Dhondiyal (VII C); and Mohammad Alfiyaan, Prasoon Pandey, and Oswin Paul (VII D). Their teamwork, harmony, and dignified presentation brought immense pride to the school. Students who secured First Positions have now been selected to represent the Zone at the State Finals, marking a significant milestone in their musical journey.

In the sphere of oratory achievements, Aaradhya Mishra (VIII A) secured the Second Position in the English Declamation (Zonal Level), impressing judges with her eloquence, confidence, and impactful delivery. Her performance reflected both linguistic finesse and assertive expression.

MBS students also shone at the BGS MUN 2025, where they demonstrated intellectual depth, diplomatic reasoning, and persuasive articulation. Sayyed Ahmad (AIPPM – representing Kiren Rijiju) and Anushka Kushrestha (UNGA – representing Ukraine) both received Special Mention, recognising their thoughtful engagement and clarity of perspective. Priyasha Munjal (UNGA – representing USA) was honoured with the Best Delegate Award, a testament to her outstanding research, assertive presence, and negotiation skills. Together, these accomplishments illuminate the

school's dedication to fostering talent, confidence, cultural appreciation, and global awareness among its learners. MBS International School continues to empower students to rise, express, create, and lead with excellence.

# HOUSE SYSTEM

The school has been divided into four houses: Curie, Tagore, Teresa, and Vivekananda House. Named after great personalities of India, these houses aim to develop a healthy competitive spirit among students while imparting citizenship training and fostering leadership qualities through competitions in sports, arts, and cultural activities. Various house activities are held throughout the year to promote teamwork, sportsmanship, and leadership skills. These initiatives also enhance students' creativity and confidence, fostering a sense of belonging and camaraderie within the school.

## BEYOND THE CLASSROOMS – VISITS, TRIPS & EXCURSIONS

Trips and excursions are a quintessential constituent of our school life. The students are frequently taken to various destinations of historical, spiritual or cultural significance to acquaint them with places and impart knowledge of languages, and an appreciation of cultures, customs and traditions.

# LEAD TO SUSTAIN : SERENE AND SAFE ENVIRONMENT

The school campus is designed to promote a healthy body. Our students take leadership roles in campaigns, drives, and various eco-sensitisation initiatives to generate awareness and impart environmental consciousness in the society they live in through participation in green endeavours.

- The school has launched a pioneering Green School Programme to inspire students, fostering a vision of a greener environment.
- Green Campaigns involve eco-champions actively participating in raising environmental consciousness.
- The Tree Plantation Drive, initiated in 2024 by the school's Chairman, is an extension of the Green Initiative, promoting environmental awareness.
- The school collaborates with the Wipro Foundation through the Earthian-Sustainability Education Program, focusing on sustainability.
- A Rainwater Harvesting System has been implemented to conserve water and promote a sustainable future.
- Zero Waste Management Principles are assiduously followed in the school through green enterprises such as the Composting system, School Herbarium, Tree Census, Soil Sample Study, Scavenger Hunt and Energy Audit.
- Wastewater Treatment and Recycling: RO plants treat wastewater for reuse, improving water quality, reducing discharge and disposal costs, and conserving energy.
- A Sensorial Garden has been established within the school's extensive green cover, enhancing the learning environment.
- Green Campus: Chemical and plastic-free landscaping reinforces the school's commitment to sustainability.
- An Air Purification System integrated with centralised air conditioning ionizes the air, helping prevent the spread of contagious diseases and maintaining a healthy, infection-free environment.

# COMMUNITY OUTREACH PROGRAMMES

Learning extends beyond the classroom as children gain valuable insights from their community. We provide opportunities for positive exposure through field trips, social initiatives, and interactions with experts to enrich their education.

Throughout the year, students participate in activities, drives, and campaigns focused on global issues, fostering social awareness and helping them become more engaged and responsible citizens.

## The School Has Led Noble Initiatives In Collaboration With

- Godhuli Senior Citizen Home
- Family of the Disabled
- Foundation of Handicapped Development
- Participation in additional charitable services

These initiatives aim to foster a spirit of volunteerism and the ethos of 'Service Before Self' among students. Students take on leadership roles in campaigns, drives, and awareness programs, enhancing social consciousness and community engagement.

# EMPOWERING LEADERS-THE STUDENT LEADERSHIP PROGRAMS

We empower our student community to benefit from the wealth of experiences, ideas, skills, and sense of fun through a variety of inspiring, challenging initiatives that positively impact learning and excellence, such as:

- Travel and adventure opportunities.
- Fun fair and entrepreneurship excursions.
- Volunteering for community projects.
