LITTLE THINKERS, BIG IDEAS!

EVENT: Think, Explore, Solve! – A Parent-Student Activity
DATE: 29 October 2026
CONDUCTED FOR: Class 5A

Class V-A participated in an engaging Parent-Student Activity featuring an interactive session on *Critical Thinking and Problem-Solving*, conducted by Dr. Vijeta Sharma.

Through fun-filled activities, she encouraged students to think creatively, analyse situations and explore solutions to different challenges. Ensuring the active participation of every child, she made the session enjoyable and enriching.

The activity provided students with an opportunity to strengthen their logical thinking, creativity and problem-solving skills while learning through collaboration and hands-on experiences.
