Paragraph writing provides an avenue for expressing thoughts and harnessing thinking abilities. It helps to tackle our personal opinion about a specific subject and perceive things accordingly. INDO-RUSSIAN EXCHANGE PROGRAMME-CULTURAL CONVERGENCE

The Indo-Russian Exchange Programme 'Cultural Convergence' between MBGEI Education Centre No. 7 and St. Xavier's High School conducted from March 18, 2024 to March 20, 2024 was a resounding success. It was truly a union of two nations, cultures and languages. An interesting video on Russian schooling system made our students feel nostalgic. Our Xaverians performed a euphonious Russian song, foot-tapping dance and soulful hymn. Our guest authors, Ms. Nilanjana Chatterjee and Ms. Harini Srinivasan added to the students' knowledge and perspective. The insights provided by them inspired and motivated our budding authors. Refreshing activities like 'Word Antakshari' and 'Epithet Escapade' were thoroughly enjoyed by one and all. These fun-filled activities provided a great opportunity for the students and teachers to interact with each other. A Russian student stunned everyone by her breath-taking performance of a Hindi song. The students of both the countries also penned their expressive compositions on the topic 'My Country, My Culture' and read it aloud with great zeal and fervour.
