Summer Assignment

Dear Parents,

Greetings from Pratap Fraternity!

Vacations are the most fun time of the year as this is the time children explore and learn new and exciting things. Summer breaks are highly significant as it helps children acquire new skills and become more productive. As parents, it is important to invest your time with your children now.

Here are the few tips for the parents to act as a facilitator to help your child to balance his or her eagerness in pursuing adventure, creativity and self-expression with development of responsibility.

Ways to practice mindfulness with kids

- Don't leave the tap running while washing hands** (Illustration: A hand being washed under a running tap with a red 'X' over it, and a green checkmark over a hand being washed under a closed tap.)
- Always TURN OFF the lights while leaving the room** (Illustration: A glowing lightbulb and a light switch.)
- Read with child. To inculcate reading habit.** (Illustration: A parent and child sitting together reading a book.)
- When it's dark. Look for stars.** (Illustration: A night sky with a crescent moon and stars, and children looking up.)
- Feed birds or stray animals** (Illustration: A parent and child feeding birds.)
- "Smile in the mirror. Do that every morning."** (Illustration: A girl and a boy looking at their reflections in a mirror.)
