Happy Summer Vacation! A long time to rejoice and recreate for all children. It is an appropriate period when the parents spend quality time with their children and try to discover their hidden potential, to realize their talents and raise their self-esteem.

- Vacation gives children a chance to relax. Besides relaxing, there should be a healthy mix of play and work. Punctuate their relaxed moments with constructive and creative work, this will surely enhance their confidence.

Encourage your child to take healthy food.
