

# VISIT TO EDUFAIR – GULF NEWS

Grade: 9

Day & Date: Fri 17th May, 2024

**INTENT:** On Friday, 17th May 2024, our Grade IX students had the privilege of attending an education fair organized by Gulf News. The fair aimed to equip students with a robust understanding of their chosen fields while fostering essential power skills such as adaptability, creativity, and innovation. By aligning curricula with industry needs, participating universities strived to ensure that students are well-prepared to excel in their careers.

**EXPERIENCE:** The education fair organized by Gulf News was a valuable experience for our Grade XI students. It provided them with a detailed understanding of future-ready degree programs and professional courses, emphasizing the importance of academic rigor and practical skills. The focus on power skills and industry alignment ensured that students are well-prepared for the evolving job market.

**INSIGHT:** The emphasis on adaptability, creativity and innovation highlighted the need for these skills in navigating future career challenges and opportunities. This visit has empowered our students to make informed decisions about their educational and career futures and the school is committed to supporting them in their journey towards professional success.
