

VISIT TO AN EDUCATION FAIR - UNIEXPO 2024

Grade: 11

Day & Date: Thursday, 16 April 2024

INTENT: An exceptional opportunity for our Grade XI students to explore higher education pathways and career options was organized by the school on Thursday, 16th May 2024. This educational visit was centered around the UNI EXPO 2024, an annual flagship education event hosted by Khaleej Times. Designed to be the ultimate destination for students seeking higher education opportunities in the UAE and beyond, the event provided a comprehensive platform for our students to engage with representatives from prestigious universities.

EXPERIENCE:

Students interacted with representatives of institutions from the UAE, the United States, the United Kingdom, Canada, and Australia. These interactions provided detailed insights into the academic programs, admission requirements, scholarship opportunities, and campus facilities offered by each university.

INSIGHT: The visit significantly enhanced students' awareness of the diverse higher education opportunities available to them. It broadened their perspectives on potential career paths and the necessary steps to achieve their goals.
