

SCHOOL CINEMA

School Cinema an LXL Ideas brand; is an innovative film-based learning module that reaffirms life skills & values for students, parents & educators. As a ground-breaking pedagogical experiment, School Cinema uses cinematic storytelling, and thought-provoking workbooks to address life's challenges for children in UKG to class 11. School Cinema is also the largest producer of short films for children in India. School Cinema helps students, teachers and parents enhance their learning and personal development. To achieve this School Cinema has combined various pedagogical tools. At Scholars middle wing is trained on lifeskills with school cinema. My Cinema Book, a research-backed workbook, plays a critical role in supporting effective learning by action. With exciting chapters corresponding to values in every film, children are inspired to interact with the self: asking questions and reflecting internally on actions and thoughts. Implementation Training, conducted by a product specialist is mandatory for ensuring ease and effectiveness of implementing the module in schools. It comprises of diverse video tutorials and detailed interactive discussion on all the module elements.
