MATHS WEEK

(December 20, 2021 – December 23, 2021)

“Mathematics and Art are considered the pinnacle of human creativity.”

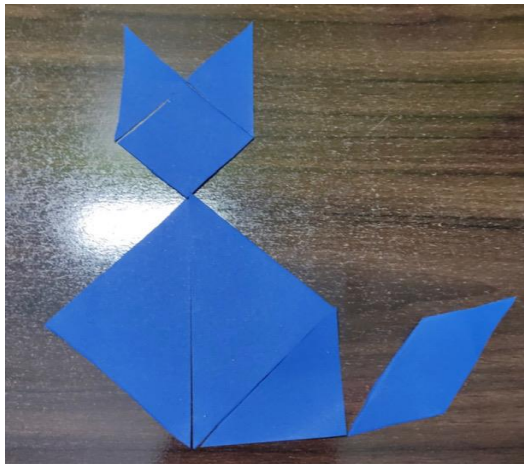

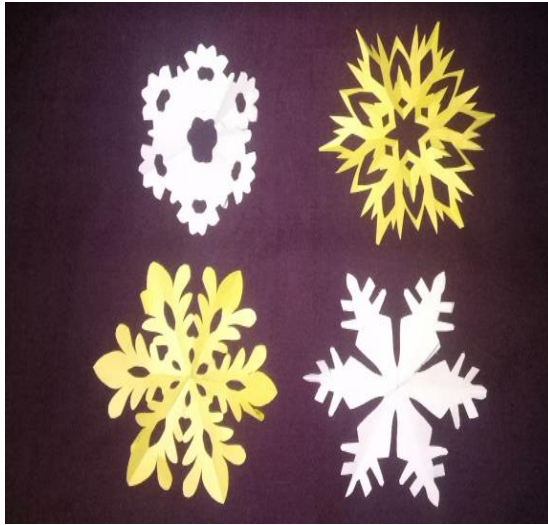

Mathematics is not a contemplative but a creative subject.

Aryabhata Club of the school celebrated Maths week in commemoration of birth anniversary of Srinivasa Ramanujan from December 20, 2021 – December 23, 2021.

The challenging concepts of Maths concepts were reinstated as the students participated in varied Maths activities such as Make a clock, Shapes Scenery, My Currency, Tangram and Smart Symmetry in junior classes. The budding prodigies of the school displayed their talent and creativity as they exhibited enthused participation in all activities.

The school of classes VI – XI also partook in activities based on Tangrams, Math’s Relay Race, Display board Activity and Maths Quiz which enhanced their mental ability. Display board activity was to teach the students how Maths is related with the other subjects. Maths Relay strived to promote interest of students in mathematics while at the same time enhanced their problem solving skills and conceptual knowledge. The purpose of Maths Relay and Maths Quiz was to teach the students about basic mathematics in a simple and playful manner. The week strived to help students develop and sustain a positive attitude towards Mathematics and stimulate their interest in the subject.
