

MBS INTERNATIONAL SCHOOL
Techies Club Activity
SESSION 2022-23

Name of the Activity : MS WORD
Topic : Christmas Card
Date : November 16, 2022
Class : IV

Glimpse of the Event

Objectives:

- *To develop critical thinking and designing skills.*
- *To make them navigate and perform common tasks in Word, such as opening, viewing, editing, saving and configuring the application.*
- *To foster positive attitude towards using technology that supports collaboration, learning and productivity.*

“The only constant in the technology industry is change.”

Microsoft Word allows us to create simple word processing documents like letters and reports effortlessly, allowing us to add colour and clip art. Writing in various fonts and sizes and using tables, borders & bullet formatting reduces tediousness and increases productivity.

Keeping this in view MBS International School, Sector-11, Dwarka organized MS Word - Card Making Competition for the students of class IV. students were asked to create a beautiful card on the topic ‘Christmas’

Students participated with great zest and zeal. It was an enriching experience for the participants as they learnt various formatting effects of MS Word. Many beautiful and amazing cards were created by the students.

Performance was judged on certain parameters. Certificates were awarded to winners and all the participants.
