Mathematics is not about numbers, equations, computations or algorithms. It is about understanding.

With an aim to create an interactive and interesting learning of Mathematics, MBS International School recently organised ‘Aryabhata Club Week’ under which students of Grade- III participated in an Activity of My Currency on Monday, December 20, 2021.

Students used their creativity and recalling skill to draw different currency notes. The aim of the activity was to making learning more enjoyable, activity based and discussing different uses and features of various denominations. Students enjoyed the activity and participated whole heartedly with great enthusiasm. The day provided a perfect opportunity to transform the aura all around with great power of student’s mind.
