"Play is the highest form of research." ~ Albert Einstein

MBS International school organized an activity '**Role Play**' for Grade IX as a part of Entity Club Activity to make students showcase their ideas and thoughts through a role play. The students of grade IX enthusiastically took part in the activity and wonderfully enacted in front of the class. The activity provided students the space to demonstrate their understanding of importance of wit and humor in different situations of life. It was delightful to witness students participating with confidence and alacrity.
