MBS INTERNATIONAL SCHOOL
TECHIES CLUB ACTIVITY
SESSION 2022-23

Name of the Activity : **HTML PORTFOLIO DESIGNING**
Theme : **SELF**
Date : **November 16, 2022**
Class : **VII**
Activity Incharge : **Ms Rishu Kaul**

Glimpse of the Event

Objectives:

- To develop coding and designing skills.
- Students will learn to create HTML page using various attributes.
- Students will exhibit a positive attitude toward using technology that supports collaboration, learning, and productivity.

"Creativity is nothing but a way to solve new problems."

MBS International School , Sector-11,Dwarka organized an HTML Coding Competition on 16th of November 2022. Many enthusiastic students participated in the competition. The participants were given three days to prepare and submit the code online on the given topic. Students were able to check their coding skills and were also `inspired to enhance them.

Parameters/ Judgement criteria

- Impact
- Aesthetics of display

3.	Lakhshay Goyal	VII C	3rd

HTML 5

MY PORTFOLIO

Hello

I am DEEYA BISHT.

12 years old, student of VIIth standard, residing in Dwarka, New Delhi.
I am an avid reader, a keen observer, with an eye for details. I am artistic with a special love for painting and sketching. I love to express myself through my drawings. I'm a trained Kathak dancer and enjoy dancing in my leisure time. I'm a good student of my class and strive hard to excel in my studies. I have interest in Science and Humanities, and want to build my career in Civil Services.

WELCOME TO MY WORLD

SKILLS AND ACHIEVEMENT
