

MBS INTERNATIONAL SCHOOL, DWARKA

ECO CLUB

ACTIVITY REPORT

Date : 02/08/2021

Classes : IX and X

THEME- CLEAN INDIA, GREEN INDIA

Objectives:

- To create awareness and sensitivity in students towards the environment.
- To lead the students to participate and help in solving the environmental challenges.

A quiz competition was conducted by the Eco Club of our school on **2nd August 2021** with a motive to create awareness about cleanliness and greenery.

We believe cleaning up the country cannot be the sole responsibility of few. Mahatma Gandhi, too, led an example as he dreamt of a clean nation and inspired people to adopt sanitation. It is each citizen's responsibility to keep their surrounding clean .

The Quiz Competition was an initiative to inspire the young, impressionable mind to adapt this thoughtful attitude.

The quiz themed "Clean India, Green India" witnessed participation of around 20 students of our school who showcased their knowledge and enthusiasm and vied with each other to achieve the coveted rank. The winners of the competition are –

<i>S NO.</i>	<i>STUDENT NAME</i>	<i>CLASS</i>	<i>POSITION</i>
1.	Aishwarya Gupta	X -B	1 st
2.	Drishti Gulyani	X- B	2 nd
3.	Abhishek Kumar	X- A	3 rd
4.	Unnattyie Chandna	IX-B	3 rd

A glimpse into Quiz moments:
