- To identify the key areas map wise.
- To develop the ability to identify the various places the river flows.
- To engage the students in a realistic yet fun-filled experience.

“Rivers are places that renew our spirit, connect us with our pasts and link us directly with the flow and rhythm of the natural world.”

MAY 11, 2022- MBS International School conducted a poster making competition showing the origination of rivers on the topic “Daudh Nadiyon Ki”. This activity helped to engage the children of class VIII in a delightful way so that they can learn about the various rivers in depth.

The students were asked to draw posters mapping the whole path of a river- the place of origination to the other areas the specific river flows, and the best represented posters were ranked as 1st, 2nd, and 3rd positions respectively.

The students were actively participating during the whole process of this exciting activity. This event not only enhanced their geographical and mapping skills but also their creativity and artistic skills.

Parameters/ Criteria To Assess Competition

1. ***Visual representation***
