**Glimpse of the Event**

***Objectives:***

- *The aim of this competition is to evaluate the knowledge of the students within academics as well as beyond academics and to make them familiar with the prospects of quizzes and the objectivity of the questions.*

*“The only constant in the technology industry is change.”*

The Information Technology Department of MBS International School, organized a “Technical Quiz Competition” on November 11, 2022. The students were engaged in challenging and thought-provoking questions. The main purpose of the competition is to develop interest in subject areas of IT including competitive aspects. The contest was open for all Grade XI students. The Quiz was unique in itself because it was hosted by students only. Rules and regulations of the quiz were explained at the beginning. The competition included objective questions which engaged the students for one hour.

Winners were selected basis of final score. Certificates were provided to all the participants.
