*“Mathematics and Art are considered the pinnacle of human creativity.”*

Aryabhata Club celebrates Maths Week, annually to develop student’s intuitive higher order thinking skills. This year also it was celebrated to commemorate the birth anniversary of Srinivasa Ramanujan in December, 2021. Aryabhata Club is a brand-new initiative of the school to help the young minds perceive the dreaded subject Mathematics with a positive and rational approach. The club’s aim is to allow all the students experience the benefits, joy and beauty of Mathematics in exciting new ways and dimensions.

The activity ‘Tangram’ was conducted on December 20, 2021 successfully. Students of Grade IV participated whole heartedly. The objective of this activity is to how different mathematical shapes like triangle, square, rectangle, quadrilateral etc. can be used to form different images like tree, cat etc.
