

MBS INTERNATIONAL SCHOOL
Techies Club Activity
SESSION 2022-23

Name of the Activity : PowerPoint Presentation
Topic : IT Personalities
Date : November 16, 2022
Class : V

Glimpse of the Event

Objectives:

- *To develop critical thinking and designing skills.*
- *To act as a visual aid as a presenter goes along presenting their option, ideas etc.*
- *To foster positive attitude towards using technology that supports collaboration, learning and productivity.*

“The only constant in the technology industry is change.”

PowerPoint allows presenters to translate complex ideas, facts, or figures into easily digestible visuals. Visual representations of information activate the right hemisphere of the brain, which allows viewers to interpret, expound, and engage with what they're.

Keeping this in view MBS International School, Sector-11, Dwarka organized PowerPoint Presentation Competition for the students of class V in which students were asked to create a presentation on the topic ‘IT Personalities’

Students participated with great zest and zeal. It was an enriching experience for the participants as they learnt various commands of PowerPoint. Many fantastic PowerPoint Presentations were created by the students.

Performance was judged on certain parameters. Certificates were awarded to winners and all the participants.
