**CLASS: II**

**Name of the Activity: Best out of Waste**

The '**Best Out of Waste Activity**' was organized by **Eco Club** of **MBS International School** for the students of **Grade II on Thursday, August 4, 2022** with an aim to help them to present their ideas of how to make best use of waste materials.. Through this, children understood the importance of different things also.

Children made beautiful newspaper bags in order to focus on "Say No to Plastic Bags". They were also given the message of reduce, recycle, reuse. As per description the students used old newspapers, magazine pages, etc. to make attractive bags of all shapes and sizes.

Natural strings made out of jute and coir and natural objects for decoration such as dry leaves and flowers were used. The craft activity was not only fun and engaging for the learners but they were also excited to take their bags home and use it in their day to day lives. Through this activity learners spread awareness on importance of plastic ban. The objective of the activity was to indulge students in the habit of recycling by teaching them how to make paper bags and making them aware about the threat due to plastic bags, to the environment.
