'Personality has a power to uplift, power to repress, power to curse & power to bless.' - Paul Harris.

MBS International school organized an activity on '**Personality Development**' for Grade VIII as a part of Entity Club Activity to make students build self-esteem and face the world with confidence. The students of grade VIII enthusiastically took part in the activity and had wonderfully put down their thoughts on paper. The workshop was conducted by respective teachers who informed students about the importance of personality development. Later they were asked to write a note on the personality according to their understanding. It was delightful to witness students participating enthusiastically.
