Venue: Google Meet

“Mathematics and Art are considered the pinnacle of human creativity.”

Aryabhata Club celebrates Maths Week, annually to develop student's intuitive higher order thinking skills. This year also it was celebrated to commemorate the birth anniversary of Srinivasa Ramanujan from December 14, 2020 – December 18, 2020. Different activities were conducted by Maths teachers throughout the week in different classes.

The activity 'Tessellation' was conducted online on December 15, 2020 for Grade VI. The students participated whole-heartedly. The enthused participation of the students was outstanding and invigorating. It was an attempt to bring them closer to Mathematics. The objective of the activity was to help the child recognize and explore properties of tessellation, to identify and examine symmetry in geometric figures and to examine the role of mathematics in society and nature.

Three students were chosen as winners from each grade whose names were given below.

RESULT:

Name of the student	Class	Position
Adit Sarkar	VI A	1ST
Dhriti Kashyap	VI A	2ND
