Heritage Club celebrates EBSB Week, annually to sensitise students about their culture and instil the feeling of a pride citizen of India. This year also it was celebrated from October 26, 2021 to October 29, 2021. The activity ‘Genealogical Chart activity’ was conducted online on December 26, 2021 for Grade VI. The objective of the activity was to list and categorize the members of their family in correct sequence and order. This activity surely brought the children closer to their family. The enthused participation of the students was outstanding. It was an attempt to sensitize the kids about the value of having a family.
