TECHIES CLUB
MOVIE MAKING COMPETITION

Objectives:

- To develop the child 's imagination as they see themselves in a fantasy world and make – believe stories.
- They will learn to highlight only the most important elements of its targeted topic.
- To bring to light the hidden talents amongst the students.

“Pick up a camera. Shoot something. No matter how small, no matter how funny, no matter whether your friends and your sister star in it. Put your name on it as director. Now you’re a director.”

Techies club organized “Movie Making Competition” for Grade VIII & IX. The enthused participation of the students was outstanding and invigorating. It was an attempt to bring them closer to Computer Animation World. Students showcased their creative skills and learned different software tools available for designing and how to complete their task within the deadline period. They all were excited to showcase their Computer Practical knowledge and Practice. It was a truly enriching experience for the students!
