Lingua Franca English
SESSION 2021-22
Grade VI

Name of the Activity: Spellathon

*“Spelling deserves a much higher status in the attention of reading educators.” -
Dr. Louisa Moats*

Objectives:

- Creating awareness of the possibilities of using varied words in written and oral expressions
- To learn correct pronunciation and add words to the active vocabulary of students.
- To learn concepts, and to develop correct English usage for a lifetime.

Learning is not the product of teaching. Learning is the product of the activity of learners. A strong foundation of spellings builds an empire of language. And to encourage our MBSians to develop their interest in language, English Lingua Franca Club organized Spellathon for the students of Grade VI.

Spellathon or the bonding over words aimed at creating awareness of the possibilities of using varied words in written and oral expressions, to learn correct pronunciation and add words to the active vocabulary of students. This activity provided an interesting doorway for students to learn new vocabulary in an interesting play way method. The students participated with great enthusiasm and dueled through the toughest words. It proved to be one of the best integrations of imagination, education, technology, inclusiveness and fun at school along with a purpose.

The quiz was conducted via Kahoot online quiz website which had multitudinous questions of spellings, jumbled words, identify the meaning and Who Am I questions. As the questions unfolded, the enthusiasm and confidence of the students increased and amazed everyone. The students thoroughly enjoyed the quiz and showed the best of their abilities while answering the questions trying to beat their peers in it.
