TECHIES CLUB
PHOTO EDITING COMPETITION

Objectives:

- To explore the student's imagination and creativity.
- To bring to light the hidden talents among the students.

“Life is like a camera just focus on what's important & capture the good time, develop from the negatives and if things don't work out just take another shot”

A pandemic can be an isolating experience filled with tedium. To develop a sense of zeal and zest in the students during these trying times, M.B.S. International School organized 'Photo Editing Competition' vested in Techies club as part of E-learning for Grade VI & VII. The students made the most of this opportunity by actively participating in the competition. They showed great interest in clicking the photos and editing them using the best features of the photo editor software. Through this competition, students were also introduced to the different modes of editing available in the software.
