As part of our efforts to make our students learn English the fun way, MBS International school organized Lingua Franca English Week.

For Grade I "Symphony of Nature"- Poem Recitation Activity was organized on the theme Mother Earth/Nature. *Poem is meant for enjoyment. Beauty is the realm of poetry which enables them to enjoy the beauty of expression, thoughts, feelings, rhythm and music of words.* To help imbibe the beauty of expression, the young poets of Class I were given an opportunity to exhibit their talent and confidence in Poetry recitation. Students participated, making apt use of a variety of creative props, infusing life and rhythm in the symphony.

This event enabled our students to kindle their imagination and helped them to enhance their learning process.
