“A people without the knowledge of their past history, origin and culture is like a tree without roots.”

Heritage Club celebrates EBSB Week, annually to sensitise students about their culture and instil the feeling of a pride citizen of India. This year also it was celebrated from October 26, 2021 to October 29, 2021. The activity ‘Virtual Tour to National Museum’ was conducted online on October 26, 2021 and October 27, 2021 for Grade VII. The objective of the activity was to create enriching, interactive experiences that cater to students of all learning styles and expose them to diverse perspectives. One of the most significant benefits of Virtual Tour is the fact that your location does not constrain you. Museums worldwide offer digital tours, shows, and exhibitions that allow you to immerse yourself in their art regardless of location and geographical boundaries. The enthused participation of the students was outstanding. It was an attempt to sensitize the kids about the rich and varied heritage of our country.
