**DATE: July 21,2020**

**ATTENDED BY: Class IX students and teachers**

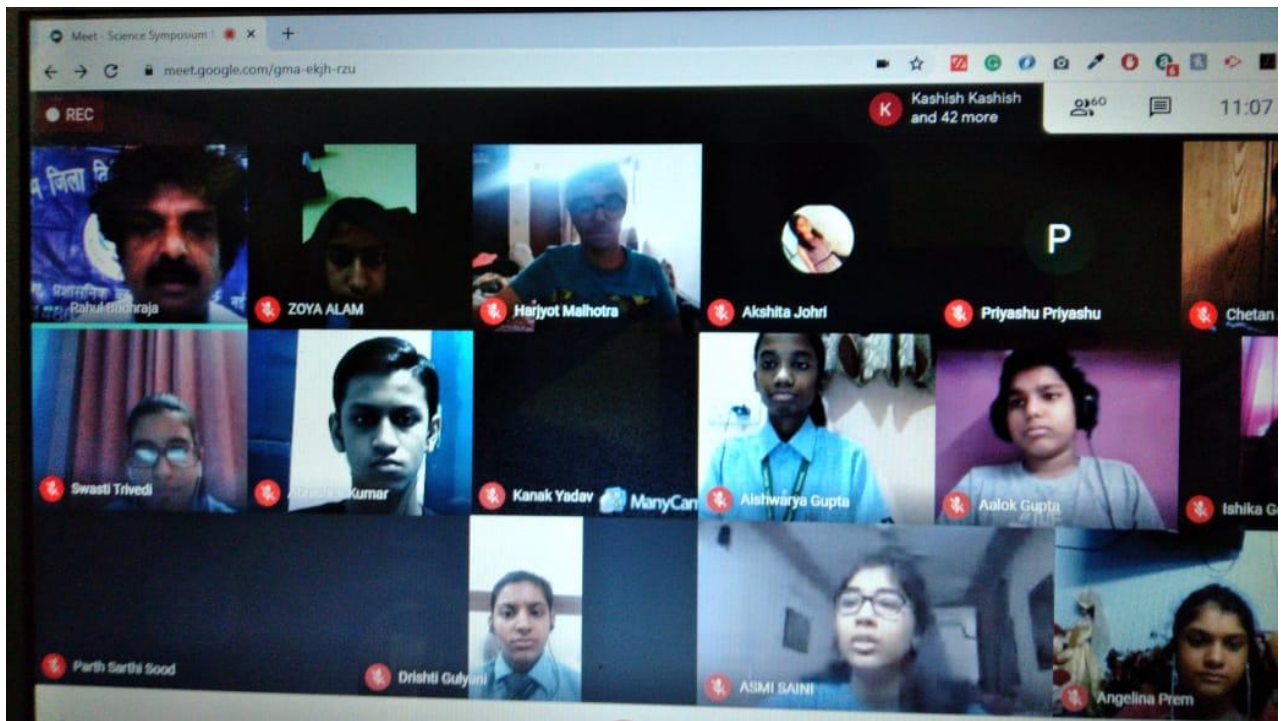

**TIMMINGS: 11.00 a.m. to 12 noon**

**VENUE: Google Meet Session**

**RESOURCE PERSON: Mr. Rahul Budhraja**

*“The price of greatness comes with responsibilities. We are made wise not by the recollection of our past, but by the responsibility for our future.”*

*Rendering its services towards the nation and the individual, MBS International School conducted a symposium for Class IX students woven around the topic ‘Environmental Pollution and The Ways to Combat’ The symposium was helmed by Mr.Rahul Budhraja , who is a practising advocate in Delhi High Court and District Courts in Criminal and Family law.. Mr.Rahul Budhraja asserted the importance of environment and how it is important for us to clean and protect it. He told the concept of Reuse, Recycle and Reduce to the students. He explained the contribution of different people to clean our environment.Some tips and techniques to impart joyful learning and taking care of environment were also discussed in the workshop which concluded with the hope that we will clean our environment and work for it in an effective manner.*

A screenshot of a Google Meet video conference. The main content is a presentation slide titled "IMPORTANCE OF ENVIRONMENT-". The slide lists the following points:

- Environment is the key for existence of life on the earth. Without it, there can be no life on earth, in our solar system there are other big planets but have no life due to lack of environment. So, there is so much of importance of environment in our life
- For healthy living
- Better Breath
- Better Water
- Better Rainfall
- Better soil
- Better Plants

The top bar shows "Rahul Budhraja is presenting", a "R" icon for "Ronit Sehwat and 61 more", and the time "11:37 AM". A smaller grid of participants is visible on the right side of the screen, including Rahul Budhraja, Aishwarya Gupta, ASMI SAINI, Brahmjot Singh, Swasti Trivedi, Sumedha Prasad, Bhuvil Saroha, and N Lakshitha Nagarajan.
