SCREENING SCIENCE DOUCMENTRY
SESSION 2020-21

DATE: July 24,2020

ATTENDED BY: Class IX-XII

TIMINGS: During Science Period

VENUE: Google Meet Session

An educational science documentary was organized for the students of class IX-XII on July 24, 2020. The documentary were 1) water – national award winning short film. 2) Netflix – Our Planet.

The students enjoyed the movie session and were happy knowing the little facts about nature and water.
