“Mathematics and Art are considered the pinnacle of human creativity.”

Aryabhata Club celebrate Maths Week, annually to develop student’s intuitive higher order thinking skills. This year also it was celebrated to commemorate the birth anniversary of Srinivasa Ramanujan from December 14, 2020 – December 18, 2020. Aryabhata Club is an initiative of the school to help the young minds perceive the dreaded subject Mathematics with a positive and rational approach. The club’s aim is to allow all the students experience the benefits, joy and beauty of Mathematics in exciting new ways and dimensions.

The activity ‘Tangram’ was conducted on December 18, 2020 successfully. Students of Grade VII participated whole heartedly. The objective of this activity is to show how different mathematical shapes like triangle, square, rectangle, quadrilateral etc. can be used to form different images like tree, cat etc. Three students were chosen as winners from each section whose names are mentioned in the below table:

RESULT:
