EVENT REPORT

Event's Name: Tangram Activity
Teacher In- charge: Ms. Bharti Gaur
Date of Event: December 27, 2019.

MBS International School organized the Tangram Activity for the students of grade V on December 27, 2019. Tangram is a puzzle consisting of seven flat shapes called tans, which are put together to form shapes. The objective of the activity was to develop positive outlook about geometry.

Students brought 7 pieces of Tangram and arranged them in beautiful picture like cat, bird, house etc. on A-4 sheet and pasted it.

The soul objective of the event was to make Mathematics fun loving and activity based.

After the activity students learnt about the classification of shapes and used their imagination to create things.
