ARYABHATTA CLUB

Event Report

NAME OF THE ACTIVITY : Mental Maze

CLASS : IV-A,B,C

DAY & DATE : 27th December 2019

OBJECTIVE : The soul objective of the event was to make Mathematics fun loving and activity based.

PROCESS :

For class IV A, B & C Aryabhata Club organize Maths Maze Activity. Maze is great fun and it can be a maths learning experience too!

Maze offer open ended problem solving in an imaginative and creative environment. The basic concept of the game was to use four operations addition, subtraction, multiplication and division (+, -, x and \div). Students develop mathematical logic skills and trial and error method for solving maze.

LEARNING OUTCOME :

Students enjoyed the activity a lot. They participated whole heartedly with great zest and zeal.
