

**MBS INTERNATIONAL SCHOOL  
SECTOR 11 , DWARKA**

**Maths Week  
(December 23, 2019 – December 27, 2019)**

**Event Report**

**Date/Day: December 24, 2019(TUESDAY)**

**Class : I(A, B,C,D,E,F,G) and II (A,B,C,D)**

**Name of the Activity: Making a Clown with Geometrical Shapes**

**Objectives:**

- To promote creativity and imagination in the students.
- To develop their fine motor skills.
- To identify different geometrical shapes like circle, triangle, square, oval.
- To help in arousing and maintaining students interest in mathematics.

Aryabhata Club organised an activity for the students of Grade I and II on December 24, 2019. The name of the activity was 'Making a Clown with Geometrical Shapes'. The purpose of conducting this activity was to inculcate learning in a fun way. It aimed to develop student's level of maths skills and knowledge using the activity.

The students were excited for the activity. The students used glitter sheet for different shapes and pasted it on A-4 sheet. Creative and colourful clowns were made and decorated by students.

All the children participated with great zeal and zest in this activity.
