Lingua Franca Club of MBS International School organised the activity Creative Writing on 22 July, 2019. The week aimed to hone their listening, speaking, reading and writing skills in an unconventional, interesting way. In an attempt to acquaint students with the same and in an effort to equip them with writing techniques, a brief introduction was also given by the activity in charge.

It was indeed a great learning experience for the students, as they learnt to indulge in free writing and record all thoughts without inhibition. The topics of creative writing received a lot of interest and enthusiasm from the students as they were eager to show their creativity on the respective topics. The competition was judged by the faculty members of the English Department. All the students put in tremendous hard work to showcase their imagination and creativity.
