

MBS INTERNATIONAL SCHOOL

Sector-11, Dwarka

ARYABHATTA CLUB

(DECEMBER 23, 2019 - DECEMBER 27, 2019)

EVENT REPORT

DAY AND DATE OF ACTIVITY: TUESDAY, DECEMBER 24, 2019

EVENT NAME: INTEGER SCALE ACTIVITY

VENUE: CLASSES (VI –A,B AND C)

TEACHER INCHARGE: Ms JASNEET KAKKAR

The Aryabhata club of MBS International School conducted the activity 'Integer Scale Model' for the students of grade VI. The activity aimed to investigate the use of manipulative in the teaching of addition and subtraction of integers. This served as an introduction to adding and subtracting integers by connecting the math to ideas that are easily understood by all the students. In this activity, students extended their previous understandings of addition and subtraction and represented these operations on the fixed scale and moving scale. All the students participated with positive intent and zeal. It gave them opportunity to think rationally & out of box.

The enthused participation of the students was outstanding and invigorating. It was an attempt to bring them closer to Mathematics.

OBJECTIVE:

1. To familiarise students with addition and subtraction of integers.
2. To engage students in activities that will help in better learning of arithmetic using integers.

WINNERS:

	VI A	VI B	VI C
1	Srishti Jain	Shaaila Bhardwaj	Aashi Mittal
2	Kunal Prajapati	Aditri Sinha	Poorvi Goyal
3	Bharti	Vaibhav Singh	Vibhuti Nand Jha
