Unseen Passage

Q6 Read the passage given below carefully and answer the questions-

Little Timmy loved exploring the woods near his house. Every afternoon, after school, he would rush home, drop off his backpack, and head straight for the trees. One sunny day, Timmy found a hidden path he had never seen before. Curiosity got the better of him, and he decided to follow it.

The path was narrow and winding, covered with leaves and tiny flowers. Timmy walked carefully, listening to the birds chirping and the leaves rustling in the breeze. After a few minutes, he reached a small clearing with a sparkling stream. The water was so clear that Timmy could see little fish swimming happily.

Excited by his discovery, Timmy sat down by the stream and dipped his toes into the cool water. He watched the fish dart around and noticed a family of ducks paddling nearby. It was the perfect spot to relax and enjoy nature.

Suddenly, Timmy heard a rustling sound in the bushes. He turned around and saw a small, brown rabbit peeking out. The rabbit seemed just as curious about Timmy as he was about the rabbit. They stared at each other for a moment before the rabbit hopped away into the forest.

Timmy smiled and decided it was time to head back home. He knew he would come back to this magical place again. As he walked back along the hidden path, he felt happy and peaceful, knowing that he had discovered a special secret in the woods.
