

# In the process of creating leaders for tomorrow

A leadership camp was organised at **J M International School, Dwarka** for the students of classes IX to XII. The day commenced with an interactive session through audio-visuals, quiz, question and answer round, animations, case studies, etc. The presentations aimed at personality grooming and its importance, tricks to attract others, ways to develop positive

attitude, vocabulary enhancement and logical reasoning ability. The second session comprised 10 activities such as Spider web, Acid River, Big Finger, Giant Maze, etc focussing on team building, collaboration, effective communication, leadership, team spirit, team connect, cooperation, goal setting, to name a few among students. Students gained valuable insight about the importance of strategising, coordination and meticulous planning for success in all arenas of life.
