## SCHOOL NEWS

*JM International School, Sec-6, Dwarka*

### AURA, 2015

Along with the project expo, Srijan, JM International School also presented the cultural extravaganza, AURA, on 25th July, 2015. On this auspicious day, the students of classes 6th to 12th showcased their talent in front of parents and teachers.

The gala commenced with the floral welcome of the respected Principal of the school, Ms. Anuradha Govind. The comperes also laid stress on the stupendous scholastic results of classes 10th and 12th in the academic year 2014-15.

Students unveiled their artistic flair through their spectacular performances, while leaving the audience spellbound. The school choir, Surangini, performed a mashup of regional, Bollywood and International songs, along with a Qawwali. The vocalists also left the audience wanting for more with their solo performances.

The senior dance troupe, Panache, also captivated the audience with their musical on Swachh Bharat Banayein. They also presented a fusion of several classical dance forms from our diverse country. The audience couldn't resist cheering out loud for the solo dance performers either, who put the stage on fire with their electrifying performances.

The cherry on the cake was the finale act, KAR-MAA. The dramatists of the school, from Rangmanch, paid reverence to all mothers, whose efforts often go unacknowledged by the children. The enactment left the audience teary eyed and pleased at the same time.

As the parents dispersed after the show, each of them left a remark for the students in the feedback diary, where they praised and cherished the programme put up by the students.
