

23rd North Zone Sports Climbing Championship – 2017

Artificial Rock Climbing Wall is a physically demanding activity that requires concentration, motor planning and sequential thought, among other skills. It is one of the important sports activities, which teaches self-reliance to children.

Indian Mountaineering Foundation north zone committee organised 23rd North Zone Sports Climbing Championship at Mira model school, Janakpuri from 6th October to 8th October 2017.

Sangram Singh Malik of class 10th of our school participated in the same and secure ***third position***. His performance in the tournament was remarkable.

!!Congratulations!!
