FIT INDIA SCHOOL WEEK 2022

Background

Fit India School Week was conceived in 2019 with the imperative need of creating awareness about fitness not limited to children but also their parents, teachers, and school staff. In this campaign, school fraternities across the country are encouraged to celebrate 4 to 6 days in a week to promote a healthy and active lifestyle by indulging in various activities such as debates, quiz, essay writing, poster-making competitions, yoga and meditation, pledge of fitness, indigenous sports etc.

The 1st edition of Fit India School Week was celebrated in the 3rd week of November 2019 as Fitness Week in partnership with the Ministry of Education. More than 15,000 schools participated in the 1st edition of Fit India School week.

In the 2nd edition, Fit India school week was conducted from December 2020 to January 2021. More than 4.3 lakh schools celebrated the Fit India school week across the nation. Fitness activities such as yoga, free hand exercises, painting, debates, symposiums, etc., were part of this edition.
