### A Glimpse of the Event

**Objectives: To enable the learners to**

- foster creativity and innovation.
- enhance digital art skills and familiarise with various digital art tools and techniques.
- showcase their artistic talents.

MBS International School conducted an Inter House Digital Art Competition for students of Grade IX and XI on 3 July 2024. The event aimed to nurture the artistic capabilities of students and promote the use of digital tools in creating artwork. The competition was designed to provide students with an opportunity to express their creativity on the spot.

The competition was held in the school's computer lab, equipped with the latest digital art software and tools. Students were given an on-the-spot topic, "The Future of Our Planet," and were allotted two hours to complete their artwork. The theme encouraged students to think critically and creatively about environmental issues and futuristic solutions.

The participants were enthusiastic and demonstrated a high level of creativity and technical skill.

The judgement criteria included creativity, relevance to the theme, design, and overall impact. The submitted posters were displayed digitally in Sr IT Lab. This allowed participants and fellow students to appreciate and discuss the visual narratives created by the young designers. The first, second, and third place winners, were recognized and awarded.

The event showcased the remarkable talent and creativity, while also fostering an appreciation for the art of digital designing among students and the school community.
