CBSE National Roller Skating Championship was held on 24th Nov, 2023 at Gurugram Global Heights School, Gurugram. Our students Shaurya Bhushan Tiwari (2A) brought accolades to the school by bagging Gold medal in 300 meters time trial at the National level. Vanya Kumari (5A) made us proud by winning Bronze medal in 300 meters at National level.

Participating in a championship of such high standards undoubtedly helped them to build their confidence and enhance their skills. It was an incredible learning experience for these students.

We are proud of their achievement and wish them all the best for future endeavours.
