Happy Baisakhi

Keeping with the tradition of celebrating all festivals with fervour and gaiety and introducing the children to their rich culture and heritage, a special activity was conducted on Baisakhi by the Grade-2 students of St. Xavier's High School on 13th April 2022.

The importance of the festival was explained through a short-animated movie, which explained the significance of Baisakhi as not only a harvest festival but also a very auspicious day. On this day, in the year 1699 Guru Gobind Singh Ji established the 'Khalsa Panth' (Sikh community). It also marks the beginning of the Hindu solar New Year.

Our little curious minds enquired with a lot of enthusiasm. They also shared their experience at the festival. Thereafter, the students enjoyed making a headgear as a Baisakhi Craft Activity and enjoyed dancing to Punjabi Baisakhi songs.

The day came to an end enabling a good show, where children got an opportunity to showcase their talent.
