# PAPER BAG DAY

The toll that plastic is taking on the environment is something that cannot and should not be ignored. Paper Bag Day is observed globally on July 12, every year. The day is celebrated to extend awareness about paper bags that contribute to the fight against climate change and pollution. Paper Bags are natural and biodegradable.

# PAPER BAG DAY

On Paper Bag Day, the students of St. Xavier's High School, Gurugram, used old newspapers and magazines to create paper bags. Children were also encouraged to use paper bags as they are completely recyclable; and, can be reused a desired number of times. Plastic bags on the other hand, even during the process of recycling, release extremely dangerous gases.

# MANGO DAY

To celebrate and relish the taste of their most favourite fruit Mango, children at St. Xavier's High School, celebrated the Mango Day on July 22. The day started with a class discussion about the king of fruits - Mango, followed by a music and movement session which the kids enjoyed thoroughly. The little chefs loved the kitchenette activity and prepared the mango desserts which they relished absolutely.

# MANGO DAY
