Parent teacher meeting

The lovely autumn season started with a fruitful Parent Teacher Meeting. The parents were happy to connect with the teachers to understand the progress of the children.

*** We believe that effective communication between the teachers and the parents leads to better nurturing of a child's development.**

good job!

ENGLISH RHYME TIME

International
Dimension in Schools
2019-22

We believe that rhymes are an excellent tool for cognitive development in children. Whether, in English or Hindi, they are lively, exciting, and appeal to the kids. Keeping these in mind English Rhyme Time was organized where the little munchkins of Pre-Nursery put their best foot forward and performed outstandingly.

ORANGE DAY

'Life is about using the whole box of crayons,' and as the tiny tots of Pre- Nursery open their box of crayons to learn the secondary colours what was better than the vibrant colour orange? The little munchkins came dressed in hues of orange to celebrate 'Orange Day'.

The classes too were decorated with orange objects to welcome the children to the world of orange colour. A plethora of activities were curated related to the happy colour. The children had fun sorting and playing scavenger hunts in the class. Painting orange popsicles, a takeaway craft made the day memorable for the little ones.

CHILDREN'S DAY

BRITISH
COUNCIL
International
Dimension in Schools
2019-22

Childhood is a blessing and the most fun-filled phase of life. To mark such an occasion 'Children's Day' was celebrated on Monday, 14th November 2022 in our school atrium with the Pre-primary section! To make this day a memorable and fun-filled one, an amazing magic show was organised for the children. Children were totally taken aback by the tricks shown to them. Awestruck, they applauded the magician after every single trick.

Community Helpers

It's our constant endeavour to make our teaching innovative and fun. To help the children of Pre-Nursery learn about our monthly theme, 'Community Helpers' different activities were conducted throughout the month. One such activity was 'Show 'N' Tell' where children came dressed up as one of the everyday heroes and spoke a few lines about them. This activity wasn't only enriching but entertaining too. The little munchkins looked super cute in their innovative costumes and carried themselves confidently. They learnt the value of respect and understood how all jobs are important and respectful.

2019-22

Students of Pre-Nursery and Nursery of St. Xavier's High School, were taken on a short and informative trip to the fire station in order to make them understand the importance of community helpers in our lives. Our tiny tots were briefed by the fire officer on the ways that can be used for dousing the fire. Lastly, students were made to visit the vehicles firemen use during the state of emergency.

Annual Exhibition

‘Geometrical Thinking - From Paths to Maths’

***“Geometry is the archetype of the beauty of the world”.
-Johannes Kepler***

The presentation by our pre-nursery tiny tots on lines and curves through their creative steam activities and dance performances made everyone spellbound.

Visit to the Church of Epiphany

"Faith is not an assignment we sign up for, it's a blessing we are given."

In order to experience the calm and serene atmosphere of worship place and strengthen their spiritual expressions, the students of Grade Pre-Nursery were taken for a visit to a church on Monday, December 19, 2022.

It was a beautiful and sunny morning wherein the students were escorted by their teachers to one of the oldest Church of Gurugram, The Epiphany Church. Christmas being around the corner, the church was beautifully decorated.
