NEWSLETTER (APRIL - JUNE)

Grade 1

EASTER EGG ACTIVITY

(May your basket be filled to the brim with sweet treats this year)

Young Xaverians of grade 1, who just graduated from kindergarten to Grade 1, were an excited and enthusiastic bunch who actively took part in the very first activity of the new session 2021-22. The virtual platform could not hinder their spirit as they created colorful and creative

Easter eggs using tearing and pasting technique. Stories and class discussions on Good Friday and Easter Sunday followed by craft activity kept the children involved as they looked forward to the next activity.

EARTH- DAY

"To act towards protecting our environment, focus on conservation of forests and save trees by planting more and more trees", spreading

this message was the motive of all class teachers on the occasion of Earth day on 22nd April. The celebrati

on

included story-

telling, awareness videos and classroom

discussions involving the learners of

Grade 1 in the movement to

our

Eart

Grade 1-B

h. Children enthusiastically took part in the Poster making activity and created some beautiful masterpieces on white sheets. Each poster had a message, a thought, and a story of its own to tell.

Grade 1-B

MOTHERS' DAY

"When God could not be everywhere, he created mothers."

EVERY DAY IS MOTHERS' DAY FOR CHILDREN YET THERE SHOULD DEFINITELY BE A SPECIAL DAY TO DEDICATE TO OUR MOMS WHO ARE WORKING ROUND THE CLOCK FOR US, TAKING CARE OF OUR PERSONAL NEEDS ,OUR FOOD ,OUR STUDIES AND EVERYTHING .GRADE 1 STUDENTS TOO HAD A SPECIAL CELEBRATION BY DEDICATING SPECIAL VIDEOS TO THEIR MOMS AND A SELFIE WITH MOM ACTIVITY FOLLOWED BY BADGE MAKING FOR MOM. THE SESSIONS THAT DAY WERE FULL OF LOVE AND WARMTH AND HUGS AS MOMS AND KIDS SHARED THEIR SPECIAL BOND TAKING HOME LOTS OF SPECIAL MOMENTS.

EARTH DAY

"To act towards protecting our environment ,focus on conservation of forests and save trees by planting more and more trees", spreading this message was the motive of all class teachers on the occasion of Earth day on 22nd April .The celebration included story telling ,awareness videos and classroom discussions involving the learners of Grade 1 in the movement to save our Earth .Children enthusiastically took part in the Poster making activity and created some beautiful masterpieces on white sheets .Each poster had a message ,a thought, a story of its own to tell.

Summer Tide

The pandemic brought with it even more difficult times and summer break was declared much before the scheduled one.

The students however being confined to their homes and being forced to be indoors had a fantastic time with the Summer tide being planned for them which was a plethora of super cool ,fun ,interesting and engaging activities flawlessly conducted by the teachers.

From colourful Origami fish to a magic fan to T- shirt designing and an origami tulip flowers ,these crafty activities were a welcome delight by all young Xaverians of grade 1.

Yummy and super easy to make Coconut laddoos ,mango pudding and a DIY table mat customized with their own name were some activities related to the kitchen and dining section.

Bunny craft and T shirt designing ,hindi story telling sessions – all the various activities kept the students creatively busy in the otherwise mundane summer vacation of 2021.

SHOW AND TELL

***SHOW AND TELL – My Family**
Family is the first and foremost foundation of every child ,where he/she learns the basics of life , learns to love ,respect ,care and inherit values .

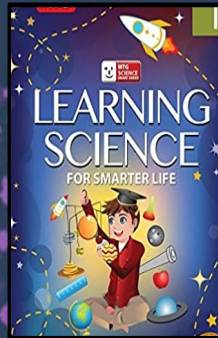

A family is a closed circle where everyone feels safe ,secure ,loved and wanted. Learning and discovering together and encouraging each other is what a family is all about.

Students brought out all these aspects through their show and tell activity and proudly spoke about every member of their family. Parents efforts in making the props were worth appreciating too.

YOGA is an ancient practice that is an amalgamation of physical ,mental and spiritual practices to achieve a peaceful body and mind .A practice that originated in our own country and is now accepted and practiced worldwide .On 21st of June 2021, International Yoga day was celebrated with full zest and enthusiasm by the whole Pre-primary and Primary wing through the virtual platform .Students from grade 1 also actively took part in the live Yoga session conducted by a renowned Yogi ,Dr Yogi Amrit Raj .Various asanas were performed by all enthusiastically and talk on immunity building ,strength and stamina and positive attitude was held by the guest .It was a great session and awareness and importance of Yoga was felt and acknowledged by one all out of the audience.

Science and learning our lifeskills go hand in hand "Experiments are not only a gateway to learning they are also fun and super cool to try hands on ."And "lifeskills are all about learning different skills to help us become independent individuals."

Excited learners of grade 1 always look forward to these sessions in the week and enthusiastically take part in all activities ,be it setting the dining table ,creating their own ID cards ,or performing experiments like blowing a balloon with vinegar and baking soda ,creating magic by changing color of water with a drop or few of lemon ,creating rain in a glass and so many more

VIRTUAL ASSEMBLY

Enthusiastic learners of **Grade 1-H** presented a wishful assembly on their dreams and aspirations. The young dreamers were dressed up as the future profession they want to take up and spoke about it. They inspired everyone with their thoughts and passion. As somebody has rightly said “ the future belongs to those who believe in the beauty of their dreams” and these little kids proved it right as they dreams about their future and will fulfill all their dreams and aspirations.

Enthusiasts learners of **Grade 1-F** presented a mesmerizing assembly on a heartfelt topic 'Save Food Save Life' on 24th June, 2021. They started the day by remembering the almighty followed by a poem depicting the theme beautifully. Students enacted a real life scenario on why one should not waste food. They also listed some realistic and practical ways to save food. They ended the show with a pledge, a promise to always save food. These little Xaverians surely knew how to keep everyone hooked onto their

FEEDBACK

I must say that what a fantastic intellectual team of teachers St. Xavier's has. Aaravya has her third year with Xaviers, and every year faculty is amazing. This year, Ms. Karishma ma'am is so wonderful. She is full of energy, patience, creativity, love and new ideas. She encourages everyone and support and guide parents too. She puts lots of efforts and spends time while teaching. Your continuous dedication is an asset to children as well as school. We are so lucky and grateful to have you with us. Thank you for everything madam. You are an amazing teacher.
