# **RESONANCE- FEEDBACK BY PARENTS**

**Dear Ma'am,**

**Thank you for inviting me to judge the Elocution Competition held today at Xavenium'21.**

**It was an insightful experience for me to witness such potent and affirmative performances from such budding youngsters from various schools of Gurgaon.**

**Students displayed immense conviction, great expressions, aptly amalgamated with key elements of public speaking such as pitch, tone and voice modulation.**

**The topic in itself was a refreshing delight to the ears. Students while preparing their thoughts must have reflected internally to come up with such convincing orations.**

**I was amazed to hear all anecdotes, personal stories , quotes, proverbs and advertising tag-lines as part of their scripts!**

**Once again my heartiest congratulations to Xaviers' for raising the bar higher for the Xavenium'21.**

**Seamlessly organized and implemeted!**

**A pat to the teachers and the Organizing Committee for their tireless efforts in making this event a grand success!**

**Thanks a lot all the teachers for this never ending faith and belief you all show on the kids . This makes them even more confident to grow better . 😊😊**

***It was a sheer pleasure and an honor to be part of Elocution Contest as part of Xavenium '21. Loved the energy of the kids and the topic itself - Happiness Excels when Shared, was so befitting for the times we all are going through. Listening to the young warriors brought a whiff of freshness and colour in lives paused due to the pandemic. The kids, full of chutzpah, wove a tapestry of vibrancy, emotions, engagement and empathy while enthraling the audience and sharing a beautiful message.***

***What I saw was kids pouring their hearts out and giving wonderful performances and kudos to them and their parents for the hard-work.***  
**WELL DONE CHAMPS!**

***At the same time, the enablement and the preparation that goes behind such events is no small feat. So a big thank you to all the teachers, staff and management of St. Xaviers. The tireless energy and devotion put in by each of you, while juggling personal and professional commitments, speaks volumes of your efforts. No wonder, all of you are not just teaching but curating the future leaders for India and the world. Always has been a privilege to observe all of you and collaborate with you on such events. The flag of St. Xaviers continues to soar high and the teachers, the students, the staff and the management of St. Xaviers are the reason.***

***Thank you teachers. It was a great opportunity for the children ... all worked hard and it was an awesome show !***

***Thank you so much teachers for this wonderful opportunity and everything went so smoothly. Hats off to the efforts of all teachers***
